**SEEDS.**

**WATKINS & SIMPSON,**  
12, TAVISTOCK STREET,  
COVENT GARDEN, W.C.

**WE** grow these  
.. very largely  
.. abroad from  
our own carefully  
selected Stock seeds  
and we can with con-  
fidence recommend  
them as equal to any  
that can be bought.  
✻ We respectfully  
solicit a trial from all  
those who have not  
before tested them,  
feeling sure it will  
lead to future orders.  
✻ We have intro-  
duced many new  
colours in several of  
the sections. ✻ ✻

**W**E have added a notification of degrees of Earliness and Height for the convenience of those wishing to have successions of bloom either for pot culture or for bedding, for which Asters are eminently useful. The figures indicate degree of height, No. 1 being very dwarf and No. 6 tallest, EE extra early, E early, M medium, L late blooming.
